

Updated: [1 January 2022]

PROFESSOR DR. KUNG-CHUNG LIU
 School of Law, Singapore Management University
 [Academic and/or professional credentials]
 kcliu@smu.edu.sg

Capsule Biography [1-3 paragraphs]

After joining SMU full time Prof. Liu has made unraveled contribution to the international IP community by pushing the study and emphasis of Asian IP laws to a new high level. In the last five years Prof. Liu has edited/coedited and published books on Asian IP laws and regimes, including one with OUP. In addition to printing format, three volumes are also available in electronic form, two of which are even available via open access. In addition, he has published eight peer-reviewed journal articles: one in the most reputable IP journal in Germany (GRUR International (since 1896)), one in the most reputable IP journal in China (Intellectual Property), and two in the No. 1 IP journal in the EU(International Review of Industrial Property and Competition Law). On top of that he has written 33 book chapters, three of which are included in books published by OUP and one by CUP.

More importantly, Prof. Liu’s monograph “IP Laws and Regimes in Major Asian Economies—Combing Through Thousand Threads of IP To Peace in Asia” (Routledge forthcoming in 2022) highlights the IP struggle of major Asian economies, and captures some Asian IP features and insights that can be offered to the international IP community.

Prof. Liu’s second monograph “Deciphering IP Law and Its Conflict with Competition Law—Global Norms Against Asian Context (Routledge accepted and forthcoming)” will reflect on how the IP law and competition law tension is being defused in major Asian economies, which might shed light to other non-Asian economies.

Employment [or **Appointments**]**Current Position and Employment History**

Time	Employment
07/2017 – 06/2023	Law Professor (practice), School of Law, Singapore Management University
12/2017 – 12/2022	Renmin University of China
